By booking this event and checking into the event from January 15 – January 20, 2023, we release SDC, its owners, travel affiliates, the resort and all involved from any liability in any way, shape or form including subsequent meetings or circumstances with any event attendees, staff or guests, now or in the future.

We agree to abide by any rules as set forth by anyone of the SDC staff as well as the hotel staff. We acknowledge that we will keep all information confidential and that we are not acting as part of, or on behalf of, any media or government organization and will not disclose anything whatsoever outside this venue or lifestyle.

Selling or advertising any product without prior written consent from SDC will result in your removal from the event. We further acknowledge that we are acting on our own behalf as adults and for personal interest only and are not offended by sexual expression or nudity. We fully understand that this is a contractual "lifestyle event" and as such, hotel and/or room amenities may differ from what is mentioned on the resort site.

We understand and agree that because of the nature of this event, only adult couples will be allowed to check into the hotel and only those with confirmed reservations will be allowed to enter. Consequently, we understand that anyone trying to or bringing in people not on the confirmed hotel guest list, will be immediately required to leave the event, no restitution. We thus fully understand that any request to bring in guests from outside, whether they are SDC members or not cannot be honored. We understand that both partners of the couple will need to be present for check-in or until such time both partners are present, otherwise, check-in will be denied without restitution.

### **CLOTHING OPTIONAL AND SEXUAL ACTIVITY**

Clothing optional is only allowed at the pool area and the designated SDC hospitality area (Pleasure Dome).

Please use a towel to sit on always as a common courtesy. For all other public places without exception, you need a proper cover up. Anyone out of line will be asked to cover up properly, refusal will result in removal from the event, no refund. There is a time and place for everything, so it is understood that any sexual activity is limited to the privacy/inside of the guest rooms and/or in the designated private hospitality area. Please refrain from any sexual activity in any public space including any outside terrace or swimming pool. We understand that nudity is only possible during the official times of the event, and that nudity before or after is not allowed.

Guests are not permitted to pay nor accept payment for any form of entertainment or sexual activity, and you are urged to please act responsibly when it comes to your personal health protection. Very important: do not approach any of the hotel staff or SDC staff for any sexual activity. We also understand that cleaning staff or catering staff is not allowed to enter any occupied room.
